UNIQUE STUDENT IDENTIFIER (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals please review this webpage:

<https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>
We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

CREDITS

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

Choice Academic College can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed. There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your enrolment. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach copies of transcripts from your previous study. In some cases, we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

Reduction of Course Duration as a result of Credit or RPL

If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, Choice Academic College will provide you with a new Confirmation of

International Student Handbook

Enrolment Letter (CoE) including the new duration.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Choice Academic College has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised of these fees upon contacting us.

For more information about submitting an application for RPL, contact the Choice Academic College reception.

VISAS

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at:

<https://www.homeaffairs.gov.au/trav/stud>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with the process of applying for a course to arrival at Choice Academic College and including assistance with visas.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link:

<https://www.homeaffairs.gov.au/trav/stud>

Conditions include (but are not limited to) that you must:

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.
- Only work if you have been given permission to do so as part of your visa grant- maximum 48 hours per

International Student Handbook

fortnight during the semesters.

- Maintain approved Overseas Student Health Cover (OSHC) while in Australia

- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Sydney at least 2 weeks before your course orientation to give you time to settle in.

The Sydney international airport is located at Link Road Sydney - Mascot, NSW, 2020.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by Choice Academic College at the time of confirmation of enrolment.

If you are travelling with your family, you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back.

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

If you want further information, visit the Australian Quarantine and Inspection Service (AQIS) website at www.aqis.gov.au.

ARRIVING IN AUSTRALIA

Getting from Sydney airport to your accommodation

International Student Handbook

There are taxis, buses and train available at the airport. Please refer to [Sydney Airport](#) website for more information.

The college can also arrange airport pick up for an additional charge of \$160. Please contact the head office if you would like to use this service.

Keeping in contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived into Sydney, you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you, and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting <http://www.studyinaustralia.gov.au/en/Living-in-Australia/Money-Matters>

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

International Student Handbook

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The following web site includes information about average living costs in Australia:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

Carefully review the information at the web site link noting that the figures provided are average only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

BUDGETING

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and childcare, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

ADJUSTING TO AUSTRALIAN CULTURE

While living and studying abroad may be an exciting adventure, it can also present a range of challenges. Having decided to study and live in Australia you will be undertaking adjustments in many areas of your life including cultural, social and academic.

Adjustment to a new country and culture is a process that occurs gradually and takes time. It is not unusual to experience culture shock. Culture shock is the feeling of being out of place in an unfamiliar environment. The values, beliefs, traditions and customs of your home country may vary greatly from those in Australia and adapting to the Australian way of life may take some time. This advice may help:

Listen, observe and ask questions - Adjustment to a new culture and way of life takes time. Allow yourself time to observe those around you and patterns of both verbal and non-verbal communication. Don't be afraid to ask questions if there are things you do not understand as this will reduce the chance of confusion or misunderstandings.

Become involved - Make an effort to meet people and become involved in groups both on campus and in the wider community. Maintain an attitude of openness to new situations and experiences. Establishing friendships and joining groups is the best way to experience and learn about Australian culture and will certainly mean you have a richer and more enjoyable time here.

Try to maintain a sense of perspective - When confronted with difficulties remind yourself that living and studying abroad is a challenge and it is normal to feel stressed, overwhelmed and out of your depth at times. Try to recall or make a list of the reasons you initially wanted to study abroad in the first place. Also, listing positive events or changes within yourself that have occurred since you arrived may also assist with getting things in perspective.

Maintain some of the routines and rituals you had at home - This can include small things such as continuing to drink a certain type of coffee or tea or eating specific foods. It may also include maintaining

involvement in bigger events such as celebrating a national day in your country of origin with a group of friends.

Communicate with friends and family at home - Communicating with those at home regularly about your experiences of study and life in Australia, through emails, telephones and letters, is vital. Not only does it help to keep you connected with important social supports, it also assists your friends and family to understand your experiences which will smooth the transition when you return home.

Sense of humour - Importantly, remember that living in a different culture means you will inevitably find yourself in a range of unusual and often confusing situations. Being able to laugh in these situations will remind you that it takes time to understand different cultures and that it is ok to make mistakes.

Ask for help - Don't be afraid to ask for assistance or support if you need it. In addition to the college's support services, there are also external organisations that can help you have a successful and enjoyable time in Australia.

(Source: Macquarie University)

SOCIAL CUSTOMS

Greetings and goodbyes - most people say "Hello" or "Hi". In a more formal situation say "Good morning, "Good afternoon" or "Good evening".

When you leave friends say "Bye" or "See you later" or "Cheers". In a more formal situation say "It was nice to

International Student Handbook

meet you” or “Goodbye”.

Polite Behaviour - 'Please' and 'thank you' are words that are very helpful when dealing with other people, and buying goods or services. When asked if you would like something, like a cup of tea, it is polite to say, 'Yes please', or just 'please' if you would like it, or 'no, thank you' if you do not. When you receive something, it is polite to thank the person by saying 'thank you'.

Australians tend to think that people who do not say 'please' or 'thank you' are being rude. Using these words will help in building a good relationship.

Pot luck and bring a plate - if an Australian invite you for a 'pot luck' meal at their home this means everyone brings along some prepared food to share with all the guests. Or they might ask you to 'bring a plate'. This also means you bring some food. Don't bring an empty plate!

Smoking - Smoking has become less acceptable because of the health risks. You cannot smoke in any public building. People go outside if they want to smoke. If you want to smoke, ask people around you “Do you mind if I smoke?”

When you are out and about it is important to be alert and aware of your personal safety.

Safety when out and about:

- Be alert to your surroundings and the people around you, especially if you are alone or it is dark

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Generally, our courses may involve classes and some homework.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations.

International Student Handbook

ATTENDANCE AND HOMEWORK REQUIREMENTS

All courses are delivered face-to-face in campus (16 hours per week and 4 hours online/week). Choice Academic College reports students for Unsatisfactory Course Progress. It is an expectation that you attend classes so as to not fall behind.

Please notify your trainer at least 30 minutes prior to class if you are unable to attend for some reason.

There will also be an expectation that you complete a certain amount of homework each week in order to finish learning and assessment tasks required for completion of your course. Your trainer will guide you on what to do during this time and how much is expected.

ASSESSMENT ARRANGEMENTS

At the beginning of each unit, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time, you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks as per scheduled date.

You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file. Additionally, we will not be held responsible for any items that go missing in the post. If this occurs, you will be asked to re-submit the work.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have 1 further attempt to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re- submission.

If, after the second attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee for self-funded students as identified in the fees and charges information.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing

International Student Handbook

learner workbooks in an audio format or on different coloured paper.

- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

MAINTAINING YOUR ENROLMENT AND COURSE PROGRESS

You must meet course progress requirements in order to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation program.

Unsatisfactory Course Progress is where a student:

- Is judged as NYC in 50% of units included in the course load at the end of a study period
- Is identified by a trainer/assessor as requiring intervention
- Has an attendance pattern that is considered to be placing the student at risk of not achieving satisfactory course progress
- Does not participate in the course as per the course schedule.

Study period is defined as one term (9 study weeks) of the course in which the student is enrolled.

Choice Academic College will assist you to meet course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. Choice Academic College uses a range of methods to monitor course progress including review of participation in tuition activities and assessment tasks.

Where we consider you are at risk not meeting course progress requirements, we will issue you with a first warning letter inviting you attend a meeting to discuss why you are not meeting course progress requirements and support that you required. We can provide you with a range of support from extra time to complete tasks or a reduced study load to study skills programs to meet course progress requirements. Agreed support will be documented in an Intervention Plan that both you and the Academic Manager will sign.

Following the provision of this support, if your progress is still unsatisfactory, you will be sent a second warning letter and again inviting you to a meeting to discuss why you are not still not meeting satisfactory course progress requirements and to discuss new or revised support arrangements.

Where the student is still not meeting course progress requirements despite interventions implemented, a written 'Notice of intention to report for unsatisfactory progress' will be issued. Student will have 20 working days to access Choice Academic College's Complaints and Appeals process. If the student chooses to access this process, the student will not be reported until this process is complete.

If the student does not appeal against the decision to report them or if their appeal is unsuccessful, or if they withdraw from the process, then student is reported to Department of Education and Training via PRISMS for breach of course progress requirements.

Please refer to full *Course Progress policy and procedure* available on cacademic.edu.au.

 - an appeal (internal or external) on another matter results in a decision or recommendation to release the student.
- *A transfer to another course will not be granted where:*

resolved.

5. Resolution of complaints and appeals

- Some members of the management team of Choice Academic College will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made.
- *Where a third-party delivering Services on behalf of the RTO is involved, they will also be included in the process of resolving the complaint or appeal.*
- Each party involved in the complaint or appeal may have a support person of their choice present at meetings scheduled to resolve the issue.
- *In the case of an assessment appeal, an assessor who is independent from the original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task. The complainant or appellant will be advised in writing of the outcome of the process and the reasons for the findings made.*
- The enrolment status of student will be handled as follows:
 - For domestic students that choose to access this policy and procedure, Choice Academic College will maintain the student's enrolment while the complaints and appeals process is ongoing.
 - For international students, Choice Academic College will maintain a student's enrolment throughout the internal appeals processes without notifying DET via PRISMS of a change in enrolment status. In the case of an external appeals process it will depend on the type of appeal as to whether Choice Academic College maintains the student's enrolment as follows:
 - If the appeal is against Choice Academic College's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported Choice Academic College's decision to report.
 - If the appeal is against Choice Academic College's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, Choice Academic College will notify DET via PRISMS of a change to the student's enrolment after the outcome of the internal appeals process.

6. Independent Parties

- Choice Academic College acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by Choice Academic College.
 - *For domestic students, complainants and appellants are able to use their own external party at their own cost. Domestic students may also access the external complaint avenues indicated below free of charge.*
 - *For international students, the independent party is the Overseas Students Ombudsman. This service is free of charge. Where an international student is not satisfied with the outcome or conduct of the internal process, they are referred to the Overseas Students Ombudsman (OSO). See information under external complaint avenues.*
 - *Choice Academic College will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.*
 - *The CEO will ensure that any recommendations made are implemented within twenty (20)*
